

# Emergency Plane Landing - Stonebridge Golf Course, Ann Arbor, June 2009

The 5<sup>th</sup> fairway - only 250 feet wide with houses either side.

Very Surprised Golfers

Emergency Crew Arrives

When the lone engine on his plane lost power, the pilot knew he was short on time & options. He relied on his 15 years of experience to make an emergency landing on the fairway of the 5th hole at Stonebridge Golf Course.
